## Authorized Dealers / Representatives

### Power and Distribution Transformer

- Power Transformers up to 145 KV
- Distribution Transformers up to 33 KV
- Compact Substations
- Ring Main Units

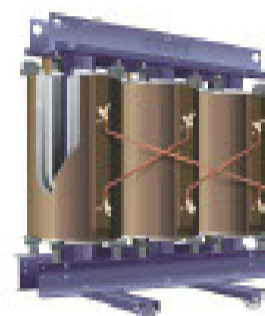

**Padmavahini Transformers Pvt Ltd**

### Dry Type - Cast Resin Transformer

- Maximum rated power up to 25 MVA
- Maximum series voltages of 36 KV
- Reactors
- Rectifier Transformer

**Deutschland Transformer Pvt Ltd**

### Uninterruptible Power Supplies

- UPS - From 600 VA to 4000 KVA
- Drives

**Delta Electronic India Ltd**

### HT / LT Panels

- HT Panels up to 33 KV
- LT Panels
- MCC
- PCC
- Industrial Automation

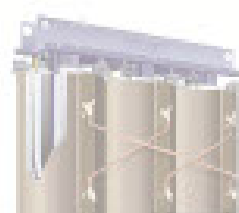

**Concise Engineering Solutions Pvt Ltd**

### Switchgear & Fusegear

- Distribution Boards
- All types of Fuses & Accessories

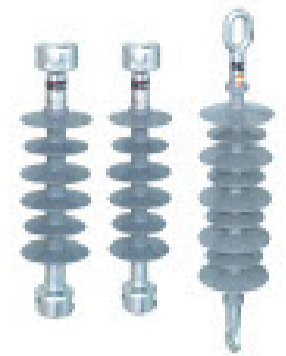

**Kusum Engineering Works**

# PRODUCTS

## Silicon Rubber Insulators

- Composite Line Post Insulator (10 - 66 KV)
- Composite Suspension Insulator (10 - 500 KV)
- Composite Railway Insulator (10 - 500 KV)
- Composite Hollow Insulator (25 KV)
- Model Cut off Series

**Wish Composite Co. Ltd**

## LED Illumination System

- Industrial Lights
- Outdoor Lights
- Hazardous Area Lights
- Solar Street Lights
- Flood Lights

**Influx Illuminations**

## Wiring Accessories

- Switches & Sockets
- Bell Press & Double Pole Switches
- TV / Telephone Outlets
- Dimmer & Fan Regulators

**Arus Wiring Accessories LLC**

**Apart from being Dealers for above brands, we have also supplied following products**

## Cable Accessories

- Cable Jointing Kits & Terminations.
- Transition Joints
- Cable End Caps
- Electrical Safety Equipments
- Lightning Arresters

**Raychem RPG Pvt Ltd**

## PRODUCTS

### Generator Sets

- Diesel Generator Sets 10 KVA to 180 KVA
- LPG / CNG / GAS Powered Gensets - 10 KVA to 30 KVA

**Cooper Corporation**

### Power & Control Cable

- LT Cable - PVC / XLPE - Power & Control Cable
- HT Cables - upto 33 KV
- EHV Cable - upto 220 KV Class

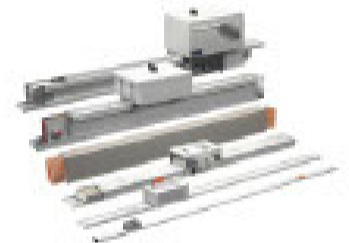

**Polycab Ltd / Bharat Cab Ltd**  
**/ All makes**

### Busbar & Bustrunking Systems

- Sandwich type Busduct - 6600 A
- Air Insulated Busduct - 2000 A
- Lighting Trunking - 40 A

**C&S Electric Ltd**

### Lighting Poles & High Masts

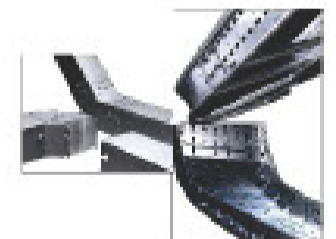

- MS Poles
- G I Poles
- High Masts

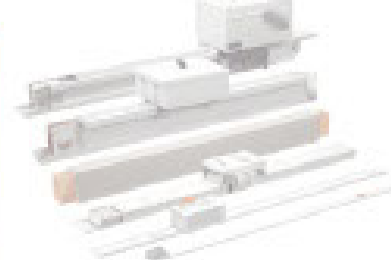

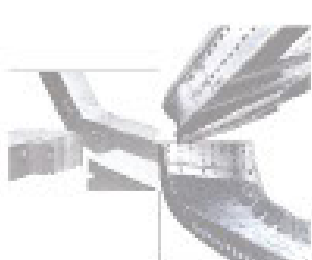

**Bajaj Electric Ltd**  
**National Electric Poles Manufacturers**

### Cable Management Systems

- Perforated Cable Tray
- Ladders
- Raceway

**Omkareshwar Engineering Pvt Ltd**  
**Sigma Galvanizing Pvt Ltd**

## ABOUT US

Innovative International Energy Solutions ( IIES ) was founded in 2010 by two young technocrats with a vision to cater ever growing energy requirements in India and Abroad.

### Deepak Wagh, Founder.

Deepak has worked with top notch organisations like, C & S Electric Ltd, Bharat Bijlee Ltd & Bahwan Engineering Company LLC, Oman, where he has successfully handled the portfolios of various electrical equipments from all across the world.

Deepak is an electrical Engineering Graduate from Sardar Patel College of Engineering, Mumbai which is a premier institute in India.

### Himanshu Bari, Founder

Himanshu has worked with Raychem RPG Pvt Ltd, which is a conglomerate in Electrical Industry. He has successfully handled array of distributors in Western Region.

Himanshu is also an Electrical Engineering Graduate from Sardar Patel College Of Engineering & MBA in Power Management from University of Petroleum and Energy Studies.

## VISION

We at IIES aim to bring global innovation at your doorstep. We are committed to bring reputed international brands to India, providing best solutions across the power industry.

**“We aim to be a leading company in all spheres of our activities by providing our customers, superior quality product, solutions and services that meet and exceed their expectations.”**

### **Core Value**

- Innovation
- Energy and Dedication
- Customer service and care
- Continuous improvement to achieve bench marking standards

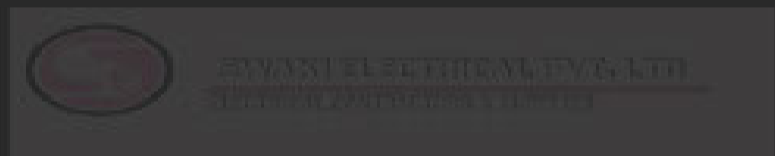

## MISSION

- To provide solutions to help customers improve their processes and / or performance of their products.
- To build our own Technical Competence to global standards through developing and acquiring 'Best in class Technologies.
- To be a preferred partner for providing solutions to our existing and potential customers.
- To constantly strive for developing a long term relationship with customers.

**We will earn the confidence & respect of the people associated with us.**

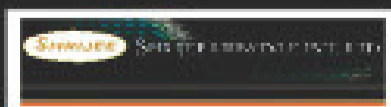

## CLIENTELE

- Pentair Thermal Management.
